EH/727/AS Notice of Non Implementation of NTS Entry Capacity Invoice File

Dear Colleagues,

Further to **NR701AS - UKL13820 Gemini Release 4 Pack 3 of 7**, which was sent for representation on the 29/01/07.

Due to the non-implementation of Mod119 the planned changes to the NTE file format are no longer required. The proposed file v12 will be removed from the implementation plan and the UKL Documentation Extranet (Current Representation Folder). Please revert to the current live version, which is v11.

Regards,

Andy Simpson
