**Subject: EH/733/DA - Ref EH725DA - Amendment to the Window for Acceptance of Meter Reads by the Transporters - UNC Modification 0124 - Change Implemented**

Dear Colleague,

With reference to the above, I confirm that the class 1 UKLink change to amend the read window parameter was successfully implemented on Monday 16th April 2007. After this date, all MRE00489 rejection codes (non-opening reading received outside the read receipt window) will be applied after 15 business days.

Should you have any questions regarding this change, please do not hesitate to contact me.

Regards

David Addison
