Subject: EH/764/SK - Postponed Gemini Outage - 19th August 2007

Dear Shipper

Further to the cancellation of the Gemini outage on 12th August, due to continuing technical difficulties it has also been necessary to postpone the Gemini outage scheduled for 19th August. Work is underway to re-plan the remaining activities to enable the implementation to go ahead.

We apologise for any inconvenience caused and as soon as revised dates are known a further communication will be issued.

If you need any further information, please contact your xoserve Customer team.

Kind regards
