Subject: EH/769/KH - UKL13910: Gemini ECB Invoicing File - Class 2 modification

Ofgem directed on the Modifications associated with this change on the 6th September, Modification 0169 was approved for implementation so we are now able to confirm that the first time the .ECB file will be issued will be 6th December 2007.

The representation period for this changes closed out on 7th September 2007 and no representations were received, it is therefore our intention to schedule the implementation at the UK Link Committee meeting this Thursday, 13th September 2007.
