Subject: EH/773/DD - UKL13923 COR876 Revision to the USRV Financial Incentive Payments (UNC MOD0141)

Dear Colleague,

UNC Modification 0141 amends the existing USRV Financial Incentives by introducing two changes:

- Increasing the incentive liability payment monthly cap from the existing value of £100k to £500k
- Introduction of a cap associated with the administration of the process. Currently the Admin Charge Fee is set at 2% of all amounts received. The Admin Charge Fee will be capped to a total of 0.5% of the monthly cap.

Notice of Implementation for Modification 0141 was provided on 18th September 2007.

For specific details surrounding this Modification, please find details on the Joint Office Website: <http://www.gasgovernance.com/Code/Modifications/ClosedMods/CM141-150/>

These changes take effect from 21st May 2008. The first time that these new incentive arrangements will be shown on your invoice will be 18th June 2008, on the existing Adhoc Invoice.

No amendments will be made to the existing .SUI and .SUJ files and it's associated records, as a consequence it is considered that this change should be classified as a Class 1 UKLink Modification.

Your comments are invited on this UKLink Modification, in particular regarding the classification. These should be received by 26/10/07.

If you have any questions in the meantime, please do not hesitate to contact me.
