Subject: EH/789/LC - UKL13862– Notification of Implementation of Change – Customer Charge Structure for the 0-73.2Mwh Load Band

Dear Colleague,

UKL13862– Notification of Implementation of Change – Customer Charge Structure for the 0-73.2Mwh Load Band

With reference to the above change, I confirm that the changes have been made to the CCO charge type applicable to the Commodity Invoice (.COY) the CCO rate has been set to zero and the new charging structure will be applied, to the CCA charge, on the Capacity invoice (.CAZ). These changes will be effective for rates from 01/10/07. This will be invoiced in the October 07 Billing Period which is generated and invoiced in November 07 and the first invoices will be issued after the November 07 release.

The detail of the change was provided within the communication **EH/730/LC - UKL13862 Customer Charge Structure for the 0.73.2MwH Load Band**

Should you have any questions regarding this change, please do not hesitate to contact me.
