**Subject: EH/791/DA - Minor Amendment to CALMS System – Implementation 5th November 2007**

Dear Colleague,

**EH/791/DA - Minor Amendment to CALMS System – Implementation 5th November 2007**

The change notified to UKLink Committee in communication "NR/645/DA - Minor Amendment to CALMS System..." has been implemented.

This minor change means that the CALMS system now includes an additional selection box on the "View Nominations Screen" to enable shippers to see their currently active nomination(s) rather than always viewing the full history of nominations for that Facility and Gas Day.

The following screen shots illustrate the revised screen layout, these were previously provided in the above communication.
