Attached for your information is the presentation provided yesterday.

**COR880 Gemini 2008 Release (summer) Presentation 14th February 2008**

<<UKLC 20080214 V2.pdf>>

In addition to the presentation specific details regarding screen changes and affected reports are contained in the below document, entitled '**External Screens for UK Link Committee.doc**'

<<External Screens for UK Link Committee.pdf>>

It is currently anticipated that a Shipper Trial period could be provided between 21st July and 1st August 2008.

Based upon the proposed changes, xoserve wish to understand UK Link Committee requirements for Shipper Trials, specifically; Do you wish to participate in Shipper Trials?; What test requirements you would wish to undertake, and what timescale you feel is appropriate based upon this?

Please respond with representations to the above file format and hierarchy and feedback regarding Shipper Trials during the representation period.

If you have any queries regarding the above, please do not hesitate to contact Andy Simpson (Project Leader) on 0121 623 2744.
