Subject : RE: CB/1015/MR – Gemini MIPI ETP Change Implementation Date

Colleague,

Further to my previous communication (CB/1015/MR) on 15th October regarding the forthcoming implementation of the Gemini MIPI ETP change on 7th November 2010.

No representations have been received in respect of this planned implementation.

The change will take place within the regular Gemini maintenance window of 04:00am to 06:00am with no requirements for an extended outage.

Please do not hesitate to contact me should you have any questions regarding this matter.
