Subject : RE: MP/1018/DJ - COR0962 - DUP - Duplicate Contact UKL Committee Representation

Dear Colleague

Further to the issue of the communication relating to the DUP contact process changes as a result of the Query and Workflow Management Change (COR962.8 within the UKLink Implementation Plan), I can confirm that no comments were received related to the proposed change.

This change will be discussed at UKLink Committee on 9th December, where the content will be baselined, prior to formal approval when the final formats are made available.
