RWE npower Ltd	Steph Shepherd	27/07/12	Accept	Yes	<p>Further to the above communication and the receipt of the SIS Utilisation reports, RWE npower will be impacted by the removal of this service, as the data provided for 'Weather and Demands, and Calorific values, are being utilised.</p> <p>As such we would consider that this change is re-considered as a class 2?</p> <p>We expect that the required changes can be made in time for the indicative date for the removal of the service. (Nov 2012).</p>	<p>Thank you for your comments.</p> <p>We will reclassify the change due to the impacts you highlight – but will seek approval at the August Committee for the implementation date of November – i.e. specifically asking UKLC to note the reduced notice period.</p>
