Kettering update

**MB/860/DC - UK-Link Data Centre move Wellingborough to Kettering update**

Dear colleague,

We are please to inform you that the fail over to Peterborough from Wellingborough was successfully completed this morning. The five hour outage contingency window planned for Saturday 30<sup>th</sup> August between 17:30 and 22:30 will no longer be required. Please ensure this information is cascaded to the relevant people within your organisation.

Kind Regards

*Caroline Watson* (née Purcell)
