

Market Trials – UKLP

UK Link Committee – February 2015

- The objective of Market Trials is to prepare all external parties for Day 1 of the new UK Link System.
- It will allow participants to verify their test scenarios through the execution of test cases to provide confidence that the system is functioning as expected and in line with the previously specified requirements (captured as part of the Nexus project).
- It will allow participants to address and resolve any issues that arise prior to the implementation of UK Link

Market Trials Timeline
