NR/1453/DK Problems with the Batch File processing within UKLink

21st July 2005

Dear Colleague,

Please be advised that we are currently facing a problem with batch file processing within Uklink.

As a result, there are delays to all outgoing files from Uklink.

Please be assured that this is being treated with the utmost urgency, and an update will be issued as soon as the problem is resolved.

Thank you,

Dave King
