NR/500/NR - UKLink Docs Extranet Updates

30th September 2005

Dear Colleague,

The UKLink Docs Extranet will be updated today. The update is required to ensure File Formats on the extranet is kept up to date. There is no File Format structure changes to any of the documents only the footers have been changed to reflect the status of the file.

The File Formats have all been approved at the UKLink Committee meetings.

The updates are to the following documents:

Folder

1. Current Representations

UMR_U01_Record_format v4.1 For Approval

<https://www.xoserveextranet.com/uklinkdocs/user_content/online\UMR_U01_Record_format v4.1 For Approval2.pdf> - Changed to approved

U02_URS_Record_format v4 For Approval

<https://www.xoserveextranet.com/uklinkdocs/user_content/online\U02_URS_Record_format v4 For Approval1.pdf> - Changed to approved

U03_URN Record_format v4 For Approval

<https://www.xoserveextranet.com/uklinkdocs/user_content/online\U03_URNRecord_format v4 For Approval.pdf> - Changed to approved

U04_URN Record_format v4 For Approval.

<https://www.xoserveextranet.com/uklinkdocs/user_content/online\U04_URNRecord_format v4 For Approval.pdf> - Changed to approved

U10_URS Record format v4 For Approval

<https://www.xoserveextranet.com/uklinkdocs/user_content/online\U10_URSRecord_format v4 For Approval.pdf> - Change to approved

The documents will be removed from the current location and moved to:

Folder 7 (UKLINK File Formats (SPA), Section 5 S&T then File Records

Many Thanks
