NR/581/PC - CR11928 (Transco LNG Storage Communications)

Dear Colleague,

Change Request CR11928 (Transco LNG Storage Communications) has now been implemented.

The change request referred to an amendment to the LNG information that was highlighted to shippers in 2003.

The document is now readily available on the UKLink Documentation Extranet Site. It can be found within the UKLink Manual - Supplementary Documents Section
