NR/586/NR - UKLink Docs Extranet update

Dear Colleague,

The UKLink Docs Extranet will be updated today 19th December 2005.

The folder 05 Current Representation has been updated and now contains two sub-folders: -

1. Representations Approved (Awaiting Go Live) - This folder contains the current UKLink Committee approved File Formats.
2. Representations To Be Approved - This folder contains the latest File Formats that has been issued for Representation.

Many Thanks

Norman Reid
