NR/620/DA - UKL13664 - Notice of Non Implementation

Dear Colleague,

I regret to inform you that the change scheduled for 25-Mar-06 - UKL13664 EU VAT Directive Compliance - will not be implemented this weekend as planned.

My apologies the late notification of this matter.

We would like to reschedule this change as soon as possible, and I would ask that you send comments with regards to potential implementation dates. I would request that any comments that you have are sent to me as soon as possible, but would request that any comments are received by 31-Mar-2006 so that we can consider these within the decision for the revised implementation date.

The other changes scheduled for implementation this weekend are not affected by this notification.

Should you have any questions regarding this note, please do not hesitate to contact me.

Regards
