NR/633/DA – Notification of Implementation of Change Number 13731 – Correction of UKLink Manual – CDR Records

Dear Colleague,

With reference to UKL 13731, I confirm that the change has been made to the Connection and Disconnection Response (CDR file) to ensure that the correct values are provided in relation to the Post_Activity_Meter_Collar_Status and Post_Activity_Bypass_Status.

The detail of the change was provided within the communication NR/612/DA - UKL 13731 Correction of UKLink Manual - CDR Records.

The change has been implemented and files issued on or after 16th May 2006 contain the correct values as shown within the UKLink Manual.

Should you have any questions regarding this change, please do not hesitate to contact me.

Regards

David Addison
