NR/642/NR - UKLink Docs Extranet Updates

Dear Colleague,

Following successful implementation of the changes detailed below the UKLink Docs Extranet has been updated today 4th July 2006.

The updates are to ensure that, the folder 6. UKLink (SPA and Invoicing) are populated with the current live documents.

1. UKL13693 - On-line Optional Tariff Invoicing and Entry Commodity

Invoicing

ECO - Entry Commodity Invoice Live v1

ECO Hierachy diagram Live v1

OTA - Optional Tariff Adjustment Invoice Live v1

OTA Hierachy diagram Live v1

2. UKL13715 - SPA File Rejection Reason Code List v13

Amendments completed Rejection Code List published as requested

Many Thanks

Norman Reid
