Subject: NR/655/DA - Collated Representations and Comments from August 2006 Change Information Provision

Dear Colleague,

Please find attached the collated comments received for the communications referenced below issued 11th August 2006:

NR/649DA - Use of Email Communications in the Event of Gemini Contingency

NR/650/DD - UKL 13758.2 - Meter Pulse Value Amendment

NR/651/DA - UKL13779- Changes to UKLink Systems to reflect Modification 080 - AMR Readings

NR/652/SM - UKL13780 - IFA Supporting Data

Following the representations received, there are no changes to those detailed in the implementation summaries contained within the above communications.

Please note, following no adverse comments regarding the use of email in specific contingency arrangements, the change detailed in NR/649/DA has been applied to the UKLink Manual.

The remaining changes will be discussed at UKLink Committee in order to schedule implementation.

Should you have any questions regarding this matter, please do not hesitate to contact me.
