Dear colleague,

Further to the email issued Friday 15th September 06 reference: **NR/658/DA-(CR13783) S59 inconsistent values** and **NR/659/DA (CR13785) - Re-issue of UPN (P18) superseded by Version 2.**

The overall response to the amendments of the file formats have been fully supported and as the file formats changes are considered as a minor documentation change (Class1), updates to the UKLink Manual will be completed today Monday 2nd October 06.

Many Thanks
