Subject: NR/697/ - Correction of Allocated UKL Change Numbers

Dear Colleague,

The email issued on Tuesday 19th December 2006 titled "**NR/695/ - Change Request numbers omitted from email pack 1 to 3...**" transposed the UKLink Numbers for the Changes sent out for comment on Friday 15th December.

The reference number sequence should have read as follows:

**UKL13818 for NR692 - Invoice Number on CSEP Invoice File Formats.
Communication 1 of 3**

**UKL13819 for NR693 - Previous Read Reference for Replaced Reads.
Communication 2 of 3**

UKL13820 for NR694 - Gemini Release 4. Communication 3 of 3

The UKLink Implementation Plan, issued in support of the January 2007 UKLink Committee meeting, will reflect the above.

Apologies for any inconvenience that this may have caused you.

Many Thanks
