

Commentary on Legal Text for Modification 0520

Paragraph 16.1.1 defines the Performance Assurance Report Register Document as the document of that name published by the Transporters in line with business rule 1.

Paragraph 16.1.2 implements business rule 6.

Paragraph 16.1.3 implements business rules 2 to 5. (See GTC 2.9.3 on the meaning of “publish”). The use of “short codes” reflects that these are not a UNC defined term.
