

The majority of Panel meetings for 2016 have been booked with Elexon with the exception of 15 September and 15 December as there were no rooms available at Elexon. Currently rooms are booked at Energy UK for these dates, however some parties have expressed concerns that the room may not be suitable.

One option is to move the Panel meeting day in September and December to a different day in the month, there is no requirement in the Modification Rules to hold Panel meetings on the third Thursday.

Process impacts for changing the meeting date are as follows subject (all subject to a room being available at Elexon):

Panel Date	Initial Agenda	New Mods Day	Final Agenda	
15 September	31 August	02 September	07 September	
Change to one of the following				
13 September	25 August	31 August	05 September	
14 September	30 August	01 September	06 September	
20 September	05 September	07 September	12 September
