5. **Date of Representation:** 8th October 2014
6. **Do you support or oppose Implementation:**
We **Support** implementation
7. **Please summarise (in 1 paragraph) the key reason(s) for your position:**
We raised the modification to address problems occurring on Change of Supplier (CoS) with the new Supplier being unable to identify if the in-situ meter is Advanced and if so who is the current Advanced Meter Reading Service Provider (ASP). With tens of thousands of Advanced meters already in-situ the proposal will provide key information which will enable the new Supplier to more efficiently manage the CoS process for customers with Advanced meters.
8. **Are there any new or additional Issues for the Modification Report:**
No
9. **Self-Governance Statement Do you agree with the status?**
Yes

10. Relevant Objectives:

How would implementation of this modification impact the relevant objectives?

Centralising the relevant information will improve the CoS process by ensuring the new Shipper and Supplier has ready access to the ASP ID. This enables the new Shipper and Supplier to efficiently make the necessary arrangements in relation to the site and will therefore further relevant object d) securing of effective competition by the reduction in abortive visit costs.
