Do you support or oppose implementation?

Support

Please summarise (in one paragraph) the key reason(s) for your support/opposition.

We support implementation of this modification as it will increase the transparency of information available to Shippers following site visits and this information will help resolve the issue of Shipperless sites.

Are there any new or additional issues that you believe should be recorded in the Modification Report?

No.

Self Governance Statement:

Do you agree with the Modification Panel's decision that this should be a self-governance modification?

Yes.

Relevant Objectives:

How would implementation of this modification impact the relevant objectives?

We agree with the proposer that implementation of this modification would positively impact relevant objective (d) as it should make energy allocation to Shippers more accurate.

Impacts and Costs:

What analysis, development and ongoing costs would you face if this modification were implemented?

None identified.

Implementation:

What lead-time would you wish to see prior to this modification being implemented, and why?
