Do you support or oppose implementation?

Support

Please summarise (in one paragraph) the key reason(s) for your support/opposition.

We note that there is some linkage between activities undertaken by industry parties following a meter removal and unallocated gas through Shipperless sites and appreciate that shippers would like the proposed reporting for greater clarity in this area. For this reason we are supportive of MOD0469S.

Are there any new or additional issues that you believe should be recorded in the Modification Report?

No

Self Governance Statement:

Do you agree with the Modification Panel's decision that this should be a self-governance modification?

Yes

Relevant Objectives:

How would implementation of this modification impact the relevant objectives?

We agree with the proposer that this modification may better facilitate relevant objective (f)

Impacts and Costs:

What analysis, development and ongoing costs would you face if this modification were implemented?

Transporters will face additional costs in developing this report

Implementation:

What lead-time would you wish to see prior to this modification being implemented, and why?
