<b>Support or oppose implementation?</b>	Support
<b>Relevant Objective:</b>	d) Positive

**Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)**

This modification ensures changes to the AUG table are reflected as quickly as possible leading to a more accurate allocation of Unidentified Gas costs amongst Gas Shippers at the earliest possible opportunity.

**Self-Governance Statement: Please provide your views on the self-governance statement.**

This is not a self-governance modification as it has material impact on Gas Shippers.

**Implementation: What lead-time do you wish to see prior to implementation and why?**

This modification needs to be implemented with Project Nexus go-live in order to provide clarity and certainty for UNC parties.

**Impacts and Costs: What analysis, development and ongoing costs would you face?**

None

**Legal Text: Are you satisfied that the legal text will deliver the intent of the Solution?**

Yes

**Are there any errors or omissions in this Modification Report that you think should be taken into account?** *Include details of any impacts/costs to your organisation that are directly related to this.*

None

**Please provide below any additional analysis or information to support your representation**

None
