Support or oppose implementation?	Oppose
Relevant Objective:	d) /Negative

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

TGP does not support the implementation of this modification because it does not provide sufficient justification of the benefits of publishing an AUG Table 6 months earlier. It is to the benefit of customers to have more certainty of the fixed costs for longer and for suppliers to have more time to be able to forward plan base costs. Bringing the publication of the table forward would hinder this.
