Support or oppose implementation?	Support
Relevant Objective:	d) (i) Positive d) (ii) Positive f) Positive

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

This modification will enable the detection of energy theft by ensuring that the correct supplier is made aware of potential theft. Providing Transporters with the necessary permissions to release supplier identity to the ETTOS Service Provider on receipt of a tip-off will enable faster investigation by the appropriate supplier.
