Support or oppose implementation?	Support
Relevant Objective:	d) Positive f) Positive

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

This modification allows for transition to individual meter point reconciliation where there are no meter reads available and an estimate is required. The proposed solution appears fit for purpose.

Implementation: *What lead-time do you wish to see prior to implementation and why?*

Prior to implementation of Project Nexus and as soon as practicable to give Shippers certainty.

Impacts and Costs: *What analysis, development and ongoing costs would you face?*

No further costs than those involved in the delivery of Project Nexus.

Legal Text: *Are you satisfied that the legal text will deliver the intent of the Solution?*

Yes

Are there any errors or omissions in this Modification Report that you think should be taken into account? *Include details of any impacts/costs to your organisation that are directly related to this.*

None
