<b>Support or oppose implementation?</b>	Support
<b>Relevant Objective:</b>	d) Positive f) Positive

**Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)**

WWU supports this modification which is required to support implementation of the UK Link Replacement programme (which incorporates the changes required for Project Nexus). This is because it assists transition to and maintenance of the requirements set out in the Project Nexus Business Requirement Documentation.

**Implementation:** *What lead-time do you wish to see prior to implementation and why?*

As soon as possible after an Authority decision but in any case before Project Nexus Implementation Date.

**Impacts and Costs:** *What analysis, development and ongoing costs would you face?*

None for WWU

**Legal Text:** *Are you satisfied that the legal text will deliver the intent of the Solution?*

Yes

**Are there any errors or omissions in this Modification Report that you think should be taken into account?** *Include details of any impacts/costs to your organisation that are directly related to this.*

No

**Please provide below any additional analysis or information to support your representation**
