Support or oppose implementation?	Support
Relevant Objective:	d) (i) Positive d) (ii) Positive f) Positive

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

EDF Energy believes that this modification will assist with the better identification of theft as it will ensure that the appropriate supplier is made aware of the potential theft.

If transporters are able to release the identity of the supplier to the ETTOS provider this will facilitate faster investigations of suspected thefts.
