#### Do you support or oppose implementation?

Support

#### Please summarise (in one paragraph) the key reason(s) for your support/opposition.

We support the facility to automate retrospective updates of meter asset, meter reading, and address details. This will bring efficiencies to the current manual process and lead to more accurate data being reflected on central systems.

#### Are there any new or additional issues that you believe should be recorded in the Modification Report?

No

#### Relevant Objectives:

*How would implementation of this modification impact the relevant objectives?*

We agree with the benefits highlighted in the workgroup report.

#### Impacts and Costs:

*What analysis, development and ongoing costs would you face if this modification were implemented?*

The full impact on our system is unknown but we expect minimal impact.

#### Implementation:

*What lead-time would you wish to see prior to this modification being implemented, and why?*

At least 18 month lead is required for implementation

#### Legal Text:

*Are you satisfied that the legal text will deliver the intent of the modification?*

Yes

#### Is there anything further you wish to be taken into account?
