Do you support or oppose implementation?

Support

Please summarise (in one paragraph) the key reason(s) for your support/opposition.

We support the modification as it resolved a gap in the arrangements for capacity reduction that will be re-introduced when Nexus is delivered, which is currently not permitted.

Are there any new or additional issues that you believe should be recorded in the Modification Report?

No

Relevant Objectives:

How would implementation of this modification impact the relevant objectives?

We agree with the proposers view of how this modification will facilitate the relevant objectives.

Impacts and Costs:

What analysis, development and ongoing costs would you face if this modification were implemented?

We do not envisage significant implementation costs.

Implementation:

What lead-time would you wish to see prior to this modification being implemented, and why?

We would like to see this modification implemented as soon as possible to address a gap in the market arrangements that will be corrected by Project Nexus.

Legal Text:

Are you satisfied that the legal text will deliver the intent of the modification?

Yes

Is there anything further you wish to be taken into account?
