# Project Nexus iGT Agency Services

PN UNC Update 18<sup>th</sup> March 2013

# Xoserve and IGT Agency Services

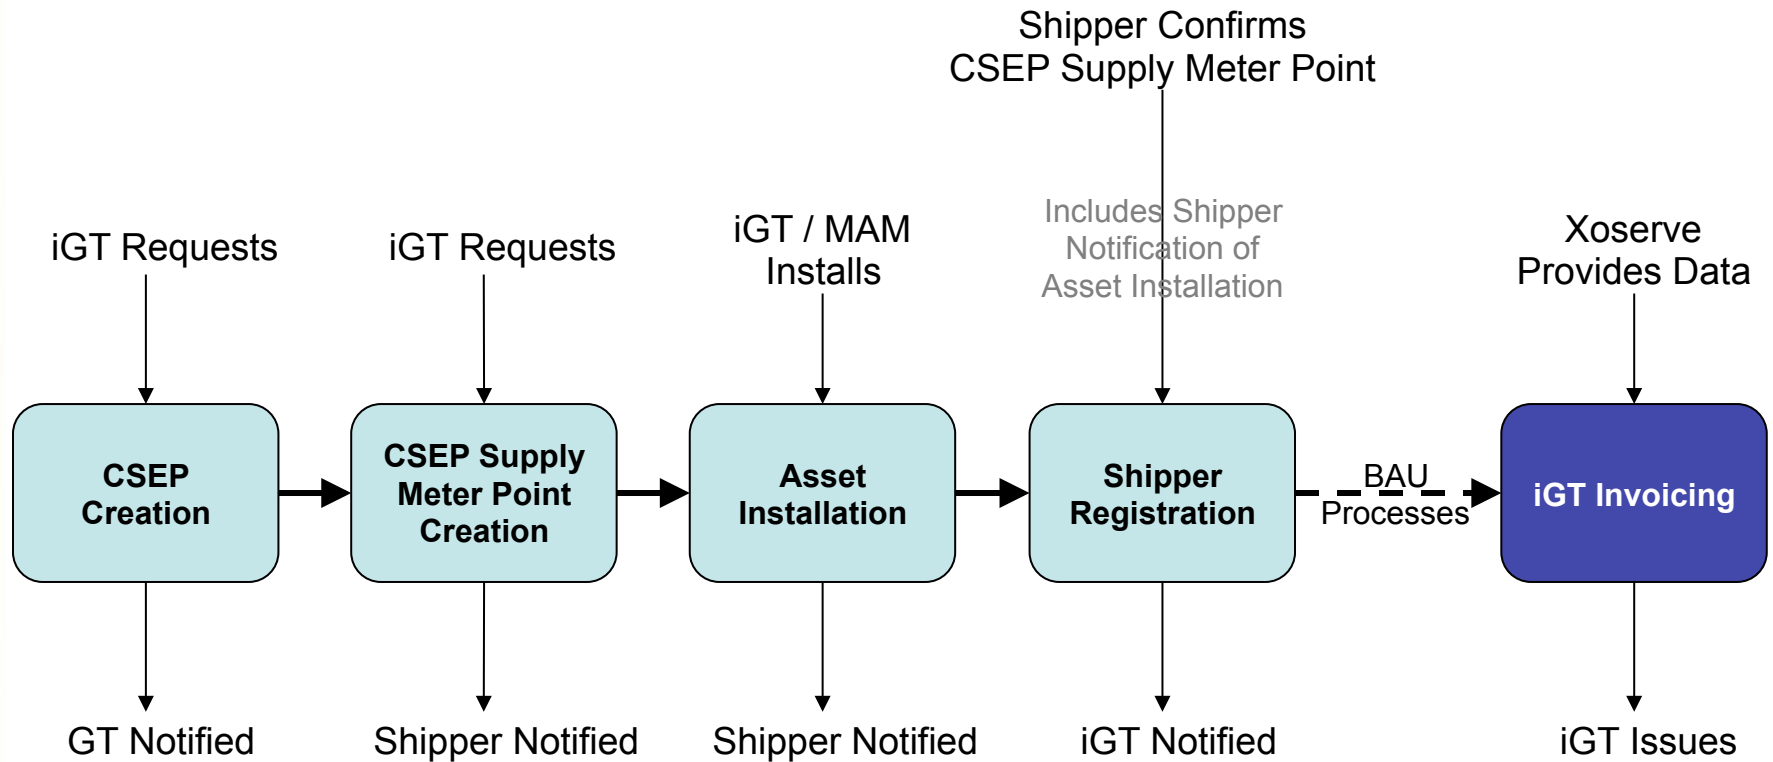

- Following the analysis activity conducted by Xoserve of the iGT Agency Services BRD, it was decided to actively engage with iGTs to ensure the requirements had been fully and accurately captured
- Engagement meetings have been held between GTs, iGTs and Xoserve
- Following this work, changes are recommended to the iGT Agency Service BRD, allowing iGT requirements to be incorporated and more accurately reflect the requirements from all parties
- The following slides is a summary of the changes to the BRD
  - Where not mentioned the BRD will remain un-changed

**Xoserve**

# Process Overview

**Xoserve**

respect > commitment > teamwork

# Recommended Changes

- Incorporate the terminology utilised in the legal text work
- CSEP creation requests will be submitted to Xoserve by the relevant iGT
- Sequencing Diagram added to give an overview of the end to end process
- Structure of the requirements section to be updated to clarify the process differences between iGT MAM and non iGT MAM activities
- Clarified that Xoserve will create and issue a unique CSEP Identifier

Xoserve

respect > commitment > teamwork

# Recommended Changes

- CSEP Supply Meter Point requests will be submitted to Xoserve by the relevant iGT once the contract (PSR) is in place with a Shipper
- The Shipper for a CSEP Supply Meter Point will be responsible for the registration of a Meter Point on the Supply Point Register
- Shipper should submit a Nomination for an I&C SSP CSEP Supply Meter Point to obtain iGT transportation rates
- Xoserve issue Confirmation where Shipper has not Confirmed new CSEP Supply Meter Point

**Xoserve**

respect > commitment > teamwork

# Recommended Changes

- A Referral process will be used to manage changes to Supply Point Capacity, AQ Correction, Address and Market Sector Code of a CSEP Supply meter point
- iGT charges will continue to be invoiced by iGT' s
  - Xoserve will be responsible for providing the source data to iGTs

**xoserve**

respect > commitment > teamwork

- Present changes at today's meeting and agree the principle of the required changes
- Publish an updated version of the IGT Agency Services BRD
- Review and baseline the requirements at the next PN UNC meeting (3<sup>rd</sup> April)

The logo for Xserve, featuring the word "Xserve" in a blue, sans-serif font. The "X" is stylized with a blue arrow pointing to the right.
