

0636 Workgroup Update

21/03/2018

0636 Workgroup Action: 0205 (Xoserve)

“Xoserve to investigate the process for UK-Link nomination/confirmations and confirm if the in-flight offers would be updated by the system following the introduction of 0636 or 0636B” [or 0636C]

Xoserve response: It is confirmed that notwithstanding when an Offer is made, the Customer’s confirmation (acceptance) of the Offer will result in the NTS Optional Commodity Rate which is effective at that date, to be applied.

e.g.

Note: Offers time-out after 6 months

0636C – ROM request

- The Mod Panel has requested a formal 0636C ROM (15th March)
- The ROM request has been formally submitted to Xoserve by the Joint Office (16th March)
- Xoserve is endeavouring to provide a ROM response as soon as possible (10 Business Day SLA) – cognisant of Easter Bank Holidays
- An initial (high-level) pre-assessment had been undertaken prior to 15th March; the pre-assessment is being taken forward with our Service Provider
- Anticipate 0636C ROM to include options to meet an implementation date of 1st October 2018
