UNC Modification Proposal 0839 - Revision of the Modification Panel Membership Cessation Provisions

Dear Bob,

Thank you for your invitation seeking representations with respect to the above Modification Proposal to which Cadent provides support.

**Do you support or oppose implementation?**

Support

**Relevant Objective:**

f) Positive

**Reason for support/opposition:**

We agree that fundamentally a Panel Member is appointed to represent the constituency it is nominated by. Once no longer employed within that constituency, the Panel Members effectiveness to represent such constituency is reduced.

**Implementation**

We agree that implementation should be as soon as possible following Authority Direction.

**Impacts and Costs**

No costs have been identified.

## **Legal Text**

We are satisfied the legal text delivers the intent of the modification.

## **Are there any errors or omissions in this Modification Report that you think should be taken into account?**

No such errors or omissions identified.

## **Please provide below any additional analysis or information to support your representation**

Nothing further to add.

We trust that this information will assist in the compilation of the Final Modification Report. Please contact me on 07884 113385 ([andy.clasper@cadentgas.com](mailto:andy.clasper@cadentgas.com)) should you require any further information.

Yours sincerely,

Andy Clasper
