

Migrating to SharePoint

from Xoserve.com

Lee Harrison

UK Link Docs History

- UK Link Docs held UK Link Documentation and Gemini Files
- Previous Service provider could no longer offer the service to Xoserve
 - The contract ended in April 2015
- SharePoint was put forward as a system to replace UK Link Docs
 - A number of Users had yet to update their systems to Internet Explorer 8 and above.
- Documentation temporarily held on Xoserve.com

Xoserve

respect > commitment > teamwork

Problems experienced

- Xoserve.com is not the right place to store critical documents
- Search function inadequate
- Users consistently experienced downloading issues
- Xoserve.com slow to respond

Xoserve

respect > commitment > teamwork

Benefits of SharePoint

- Documents held in Secure place
 - Commercially sensitive data is already held within SharePoint
 - Available 24hrs a day 7 days a week
- Users create and manage their own accounts
 - Following registration with Xoserve
 - SharePoint Online requires a Microsoft ID to sign-in
- Search function more aligned to business requirements

Xoserve

respect > commitment > teamwork

SharePoint Security

- The Data is kept at the Microsoft Data Centre. The Backup and Disaster Recovery is controlled by Microsoft as part of Office 365 Cloud Services
 - Data is encrypted at rest and in transit with SSL/TSL (Secure Sockets Layer / Transport Layer Security)
 - Built in security for threat management, security monitor with data integrity which prevents and detects any tampering of data
- Xoserve control the access to the data
 - Xoserve has a contract with Microsoft
 - Xoserve assign the level of access

Xoserve

respect > commitment > teamwork

Requirements

- IE 8 and Above
- Sign in with a Microsoft ID
- Implementation March 2016 to allow Users the time to upgrade

Screen Shots

The screenshot displays the Xserve web application interface. At the top left is the Xserve logo, followed by four small icons representing different aspects of the company's values. Below these icons is the tagline "respect > commitment > teamwork" and the text "UK Link Secured Documentation". In the top right corner, there is a search bar with the placeholder text "Search...". The main content area shows the user is "Logged in as Joe Majoros". On the left side, there is a sidebar with two buttons: "FGO Documents" and "Log Out". The main content area is titled "Folders" and contains a list of six folders:

- 18. NDM Profiling and Capacity Estimation Algorithms
- 19. Ofgem Data Request
- 20. MOD640 End of Year Reconciliation
- 22. MOD229 AUGE Data Provision
- 23. Reconciliation
- 24. Seasonal Normal System Demands
- 26 Industry AQ Publications
