Reference: 2nd Draft 2013 AUGS for 2014/15

Date: 31st July 2013

Dear Colleague

Further to our publication of the 2nd draft 2013 AUGS for 2014/15 it has been brought to our attention that Code Parties should provide responses on the proposed AUGS to The Committee rather than to the AUGE (7.1.7 of the AUGE Guidelines). The Joint Office of Transporters will publish all responses received.

The guidelines do not require the AUGE to provide responses to the comments received although these will no doubt be discussed at the approval meeting of the AUGS that has been arranged for 3rd September 2013.

Yours sincerely
