Reference: Final 2013 AUGS for 2014/15

Date: 26th September 2013

Dear Colleague

Following the approval of the 2013 AUGS for 2014/15 on 3rd September the final version of the document is now published on the Joint Office of Transporters website. As there were no issues raised during the most recent review the document is the same as the 2nd draft that we published in July with the version/status updated accordingly.

I am also pleased to report that we have today submitted an interim AUG table including rates to the Gas Transporters.

Yours sincerely
