Notice of Transportation Charges effective 1st April 2011

Please find attached the Notice of Transportation Charges to apply from 1st April 2011 for Wales & West Utilities. We have issued the Notice in order to comply with the Uniform Network Code which requires us to give two months notice of any changes to transportation charges. Please can you distribute this note and the Notice to all Shippers.

We will be increasing our transportation prices by 15.1% from 1st April 2011. This final notice is slightly higher than the indicative notice (14%) reported in our Indicative Charges statement issued on 1st November 10.

The principal reasons for the movement from 14.0% to a 15.1% are that the market forecasts for RPI (Retail Price Index) and wholesale Gas Prices have increased. Allowed Revenues for 2010/11 and 2011/12 have also increased due to incentives/allowances being higher than previously reported.
