

UNC 0621:

Mod Title: Amendments to Gas Transmission Charging Regime

Rebecca Hailes
06 February 2018

Proposed recommendation

- Thursday panel meeting (e.g. 17 May) - panel agrees to send to consultation for 25 days, agrees some panel questions for the consultation.
- 1 working day (e.g. 18 May) to prepare Draft Modification Report (DMR) and consultation response template, including any panel questions.
- Monday consultation starts (e.g. May 21), email sent from JO with all details and links to paperwork published in JO website.
- Monday consultation ends at close of play (e.g. 25 June - takes May bank holiday into account).
- 10 working days to prepare FMR v1.0 for Panel (start Tuesday 26 June , ends Monday 9 July), publish FMR v1.0 for Panel
- Panel members have 7 working days to pre-read (start Tuesday 10 July ends Wed 18 July).
- Panel meeting (regular, scheduled, face to face, e.g. 19 July) to discuss any new issues raised by consultation (if any), and vote on recommendation to implement for each and every proposal (0621/A/B/C/D/E/F etc). Preference vote to determine which of the many on offer better facilitate the relevant objectives. Send 0621x to Ofgem for Authority Decision.
