**Reason for support/opposition:** Please summarise (in one paragraph) the key reason(s)

SGN is supportive of this modification as it will clarify the governance arrangements in relation to self governance alternates.

**Self-Governance Statement:** *Please provide your views on the self-governance statement.*

We agree with the proposal as, given that the modification will make amendments to the modification rules and therefore have a material impact, authority decision is required.

We would recommend implementation as soon as possible in order to clarify arrangements.

No impacts or costs identified.

**Legal Text:** *Are you satisfied that the legal text will deliver the intent of the Solution?*

Yes

**Are there any errors or omissions in this Modification Report that you think should be taken into account?** *Include details of any impacts/costs to your organisation that are directly related to this.*
