UNCC is the designated meeting under which matters to do with the AUGE are discussed and it has a role to review changes and updates to certain key documents. In summary it has important roles on occasion.</li> <li>▪ If no topics are scheduled for discussion and there is no AOB arising then the meeting is extremely short, consisting of agreeing last month's minutes and noting the date of the next meeting; minutes are still taken. A Modification would be required if the decision was taken that no meeting should take place.</li> <li>▪ Panel Members concluded that it should be added to the list of topics to be considered under a Governance review.</li> </ul>
