

In relation to tomorrow's Distribution Workgroup Meeting for '0763R Review of Gas Meter By-Pass Arrangements', below is a link to awareness material (available from Xoserve website) which addresses Action 0101 ("Consumption Adjustments - Correla (MA) to confirm what happens if a Shipper does not respond to a Data Clarification")

- [Request for Adjustment \(RFA\) - The process | Rise 360 \(articulate.com\)](#)

In summary, RFA's (Consumption Adjustments) are auto closed if a shipper fails to respond to a Data Clarification request within 20 Business Days.
