**1.0 Review of Minutes and Actions**

**1.1. Minutes**

The minutes of the previous meeting were accepted.

**1.2. Actions**

No outstanding actions to review.

**2.0 Business Rules**

EM confirmed that Business Rules had been published and a ROM requested. EM then ran through the Business Rules.

BD noted the Business Rule reference to the time at which the reinforcement is expected to be complete and questioned what would happen if, for whatever reason, the reinforcement is delayed. For example, BD recalled that access to land had been problematic during the last foot and mouth disease outbreak. EM agreed to reconsider the implications of this.

CC asked if this approach been part of a previous modification. AR indicated that it had been part of the Modification 0090 business rules but had not been reflected in the legal text.

**3.0 Legal Text**

EM indicated that this would be requested once the Business Rules had been considered by the Workgroup.

**4.0 Consider Terms of Reference**

The Workgroup raised no issues regarding the Terms of Reference.

**5.0 Any Other Business**

None raised.
