#### **Do you support or oppose implementation?**

Support

#### **Please summarise (in one paragraph) the key reason(s) for your support/opposition.**

As proposer of this Modification, National Grid NTS supports its implementation.

This Modification will amend UNC TPD Section B in accordance with the legal text of Modification 0376S and reinstate those parts of Section B that were incorrectly overwritten by the implementation of 0376S, it will ensure that the text implemented via 0376S aligns with earlier changes to TPD Section B particularly the insertion of legal text for Modifications 0381 ‘Removal of the NTS Exit (Flat) Capacity “deemed application” process’ and 0413S ‘DN Adjustment of notices for the reduction of Enduring Annual NTS Exit (Flat) Capacity’.

#### **Are there any new or additional issues that you believe should be recorded in the Modification Report?**

There are no additional issues that we believe should be recorded.

#### **Self Governance Statement:**

We agree with the Panels decision that 0490S should be a Self-Governance Modification and subject to Self-Governance procedures.

#### **Relevant Objectives:**

National Grid NTS agrees that implementation of modification 0490S would better facilitate the achievement of relevant objective (f), implementation of this Modification is expected to support the promotion of efficiency in the administration and implementation of the Code as it will correct errors arising from the process of incorporating the legal text from Modification 0376S into the UNC rather than errors in the text itself.

**Impacts and Costs:**

N/A

**Implementation:**

This Modification has been proposed as Self-Governance and therefore could be implemented with immediate effect 16 Business Days after an approval decision by the UNC Modification Panel.

**Legal Text:**

Yes, we agree the legal text delivers the intent of the Modification.
