5. **Date of Representation:** 4<sup>th</sup> April 2014
6. **Do you support or oppose Implementation:**  
We Support Implementation
7. **Please summarise (in 1 paragraph) the key reason(s) for your position:**  
This proposal will enable large customers to liaise with the relevant Transporter to provide site specific information which may aid efficiently managing a localised constraint
8. **Are there any new or additional Issues for the Modification Report:**  
We are not aware of any additional issues
9. **Self-Governance Statement Do you agree with the status?**  
We agree that this is not self-governance
10. **Relevant Objectives:**  
*How would implementation of this modification impact the relevant objectives?*  
We agree that the modification has a positive impact of relevant objective (a) by providing a route for consumers to be able to provide information to the Transporter

**11. Impacts & Costs:**

*What analysis, development and on-going costs would you face if this modification was implemented?*

We have not identified any material costs as we will largely be enabling communication to take place between the consumer and the Transporter.

**12. Implementation:**

*What lead times would you wish to see prior to this modification being implemented, and why?*

It would be helpful if the modification could be implemented in time for customers to be able to submit applications ahead of the 2014/15 Gas Year. The application window would therefore run from 1<sup>st</sup> to 31<sup>st</sup> May 2014.

**13. Legal Text:**

*Are you satisfied that the legal text will deliver the intent of the modification?*

We have not reviewed the Legal Text provided

**14. Is there anything further you wish to be taken into account?**

*Please provide any additional comments, supporting analysis, or other information that you believe should be taken into account or you wish to emphasise.*

No.
